

SPIRIT & SWORD MINISTRIES
BIBLE INSTITUTE CORRESPONDENCE COURSE
“DEVELOPING LEADERS FOR JESUS”

“The things you have heard from me among many witnesses, commit these to faithful men (and women) who will be able to teach others also” (2 Tim. 2:2).

2 Timothy 2:2 is the premiere reason we developed this Correspondence Course. We desire to commit to faithful men and women all that we have learned from God’s Word, so they in turn can reach others also for Jesus. We also know that not many believers can attend a Bible College or School. But, they have a strong desire to study the Word of God more and would like to have a daily plan or program to follow. We want to help those who are in this position, so that is why we developed this Course.

First of all, this Course is for anyone who has accepted Jesus as their Savior and are living daily for Him. Then, the Course is for anyone who wants to develop in the Word of God and desires to become more like Jesus.

With this Course, you can study many of the same subjects as in a Bible School, but in the comfort of your own home! You do not have to leave your family or job. You can do this Course in your own time. But, at the same time, it takes more discipline, because it is You who must put forth the effort to set a time and be diligent in doing the Course. The Course is not easy, but we also believe it is not too difficult to do either.

To use this Course, for example, you would begin with the first lesson. After you have studied it, read the scripture references and believe you understand it, then you would answer the questions at the end of the lesson. We allow you to use the Course and your Bible in answering the questions, but would like you to try and answer them from what you have learned and retained. (For the three exams we ask that you do not use the Course or Bible; only draw from what you have learned.) After you have finished the questions, mail them to us in the envelope we provide so we can correct any mistakes you may have. Then we send it back to you. All of this is done in order to help you have a better understanding of God’s Word. You will receive a grade for each set of questions which will be used to determine your final grade. When you have completed the whole Course, you will then receive a grade card listing all of your grades and a certificate which shows you successfully completed the Course.

This Course was developed over a long period of time and involved much prayer and study. It is our prayer that anyone who takes this Course will grow in the admonition and nature of God.

(Please read the application carefully on the next page and decide if you would like to begin with this Course.)
