Lesson Overview

- Questions

We have probably all seen the devil portrayed as someone in a red suit with a pointed tail and carrying a pitchfork. But this is not the true picture of Satan. He is evil personified. He rules the kingdom of darkness which is comprised of different levels of demons. Many bad things have been attributed to God, but the Bible says that every good and perfect gift comes from God. All things bad and evil come from the kingdom of darkness. As you learned in "The Authority of the Believer," God has given you authority over Satan and his cohorts. In this lesson, you will learn who your enemy is, where he came from and how he operates. You will also see that he is not the all-powerful creature that he has tried to make us believe that he is.
