Questions

Prayer is much more than making your requests to God. First of all, it is communicating with your Heavenly Father. He created man in order to have someone to communicate with; to fellowship with. He loves us and wants to answer our requests. But that is only a part of prayer. In this lesson, you will learn about all the different aspects of prayer, how to be well-rounded in your prayer life. This is perhaps the most important part of our Christian walk: learning how to communicate with our Heavenly Father and have an intimate relationship with Him.

Scripture taken from the New King James Version (unless otherwise noted).
